I'm sorry I couldn't get back to you. I'm still at the Law Office and besides not being able to make personal calls I don't want to have these people in attendance there. I will be leaving back to Maui on the last flight tonight and I will call you this weekend; I hope that's ok for you. We had a real blow because Cliff had a heart attack last night and his wife needs help. We are falling apart over here. Please keep us all in your prayers. If this affects our plans I will let you know first thing.
Thanks.-Ali

She is scheduled to come home on 09/29 and Cliff wants to have a small get together for her. Sat October 01 630pm Kahala Hotel Plumeria cafe (downstairs) Cliff will take care of everything, just let me know if you will be there and if you will have a guest or not. Pops will be making her favorite cookies and the attire is casual (shorts n slippers ok). We want to take a picture at 630pm sharp in front of the Kahala valet area (Pops is bring the old museum fire truck for everyone to stand on for the picture).

Nalu n Manu: He said no dive gear can be left on the truck. Dinner is right after the picture. Louie can't make it so we are asking someone to give the diver's toast. Response should be by 09/27. Don't leave a message on the machine.
